Germany

Data protection

The operators of this page take the protection of your personal data very serious. We handle your personal data confidential corresponding with the legitimate regulation about data privacy protection and this data privacy statement.

The use of our web page is generally possible without declaring individual-related information. If our web pages requires individual-related information (for example name, postal address or e-mail address) this is always voluntary as far as possible. This information will not be passed on to third parties without your explicit permission.

We like to indicate that the internet data transfer (for example e-mail-communication) is not free of possible security flaw. A complete all-over data protection against the access of third parties is not possible.

Cookies

Our pages do partly use so called „cookies“. Cookies do not harm your computer and do not contain any software virus. Cookies are used to make our offer easier to use, more effective and safer. Cookies are small text files which are saved on your computer and memorised by your browser.

Main kind of cookies we use are so called „session-cookies“, they are deleted automatically right after your visit. Other cookies remain on your terminal until you erase them. These cookies enable us to identify your browser when you visit us next time.

You can setup your browser in a way that you are informed about the setting of cookies und can allow this either from case to case or exclude the setting of cookies in particular or in general as well as activate the automatic delete of cookies when closing the browser. Please notice: If you deactivate cookies the functionality of this web page may be limited.

Server log files

The provider of this pages automatically collects and stores information in so called server log files which your browser transfers to us automatically. These are:

- type and version of your browser
- used operating system
- referrer URL
- host name of the access-taking computer
- time of the server inquiry

These data are not assignable with particular persons. A consolidation of these information with other data sources will not be conducted. We reserve the right to check these data subsequently in case of concrete indication for illegal use.

Objection against advertising e-mails

We formally refuse the use of contact details which are published in the obligatory imprint for not required advertising and publicity handouts. The operators of this pages reserve the right for legal remedy in case of transmitting unwanted promotion and advertising, for example by spam e-mail or similar.
